

BASINOL®

HIGH-TECH MADE IN GERMANY

BASINOL Premium Marine 40 LB

Product description:

Premium Marine 40 LB is a fuel efficient engine oil of SAE-grade 40 with a TBN of 15.5.

Due to the combination of high-quality mineral base oils and innovative additives, the engine oil is characterized by excellent wear and corrosion protection. In addition, a high level of engine cleanliness is achieved with diesel engines in the marine and industrial sectors.

Premium Marine 40 LB is used in plunger diesel engines and is specially designed for operations with distillate fuels.

Specifications:

API CF

Feature	Method	Conditions / Unit	Premium Marine 40 LB
SAE-grade	ASTM	J 300	40
Viscosity	ASTM D 7042	mm ² /s at 100°C	14
Viscosity index	DIN ISO 2909		110
Density	DIN 51757	kg/m ³ at 15°C	881
TBN	DIN ISO 3771	mg KOH / g	15.5
Flash point	DIN EN ISO 2592	°C	280
Pour point	ASTM D 7346	°C	-22
